

South Eastern Repeater Association, Inc.

Report of Repeater Status

Use this form to report the status of your repeater. Send it to your local coordinator at the mailing address shown on the SERA web site or in the SERA Repeater Journal.

RETURN BY: (DATE) _____

Regarding Repeater (call/qkey) _____ / _____ on (input) _____ (output) _____

To be completed by repeater trustee or their designee: As per SERA Coordination Policies and Guidelines and as stated on SERA Form 05 (Notice of Frequency Assignment), I am reporting the status of our repeater as follows:

- The repeater is on the air permanently in adherence to the coordination assignment shown on SERA Form 05. It went on the air for regular service on (date): _____.
- The repeater was not placed into operation. I am relinquishing the frequency assignment so that it may be placed back into the assignment pool.

NOTE: THIS OPTION AVAILABLE ONLY ONCE

I am requesting a six month extension. If after this six months extension the repeater is still not on the air, I must apply for a **NEW COORDINATION** or the frequency assignment will be retracted. Any operation on this frequency will then be considered uncoordinated. Reason for extension:

- The following repeater is being taken out of service permanently and the frequency is being released to the frequency coordination pool:
Frequency pair: Input: _____ Output: _____ Callsign: _____
Location (as shown in the Repeater Journal): _____
- The following repeater is undergoing changes which according to SERA Policies 9 and/or 10 require re-coordination. Please send me a re-coordination package.
Frequency pair: Input: _____ Output: _____ Callsign: _____
Location (as shown in the Repeater Journal): _____

I certify that the above information is correct.

Name: _____ Position: _____

Address: _____

City, State, Zip: _____

Signature: _____ Date: _____
